

2019 "FRIENDS OF THE FAIR"

Aaron Stach

Aaron Stach is certainly a recognized face at the Henry County Fair where over the years we've asked for his help on various projects and even when not asked, he was there to lend a hand as a supportive volunteer. We've been fortunate over the last several years to erect new buildings on the grounds and when there is concrete involved, Aaron is the "go to" person for finishing the job with cutting the concrete. With the size of our buildings, this is a BIG job. Aaron was there to help install new water lines to the horse barn and when storms on a Wednesday night forced us to close the fair due to downed trees, Aaron was there with a chain saw ready to help so we could open the next day. No matter the task, Aaron is there to help. Thank you, Aaron, for being a true Friend of the Fair and we look forward to seeing you for years to come with your wife Dannielle and new son Grayson (due May 27th).

Jason Frisk

Jason Frisk was introduced to the Henry County Fair at an early age by his parents and their shared love of showing cattle. The passion for the Fair never left Jason and over the years he's been an integral part of completing several projects and being a supporter and volunteer of the Fair. Jason was there to help lead the charge on "behind the scenes" work for our sewer system repair and upgrades. More visibly, Jason could be seen helping with the Demolition Derby and Tractor/Truck Pulls throughout the week. Jason was quick to jump in and help with a chainsaw to clean up trees when we were forced to close the Fair on a Wednesday night due to storms. Jason is never afraid to lend a hand when help is needed and it's volunteers like this that help make our Fair successful and earn the recognition as Friend of the Fair. Thanks for all you do and we look forward to seeing you and Julie at the Fair for many years to come.
