ITPA RULES www.itpapulling.com	

OUT-OF-THE-FIELD FARM STOCK RULES

1. Any person under the influence of alcohol or operating a tractor in an unsafe manner will be disqualified.
2. All drivers must adhere to flag person at ALL TIMES.
3. Tractors will be working farm tractors or tractors that were restored to original purpose.
4. 8 MPH speed limit – 8.1 is disqualified.
5. Tractors will have working PTO hydraulics and 3 point rockshafts if equipped from factory.
6. Air filter canisters and air intakes will be what were installed from factory.
7. The engine block, transmission and rear end must match the make.
8. Stock diesel pump and turbo – no intercoolers.
9. Stock fuel only – diesel, gas or LP.
10. Tires – no bigger than 20.8 x 38 x 42 – no cut tires.
11. No duals or tire chains.
12. No MFDs or All Wheel Drives.
13. Puller must have large twist or flat ring clevis with at least a 3" opening – drawbar height of 20".
14. Any loss of weights or other parts will be a disqualification.
15. If the puller attempts to stop before the 75 ft. mark – the puller will be given one restart.
